ARCHITECTURE COMES TO LIFE

See the fresh moods of Sydney come to life in striking and inventive architecture by renowned PTW Architects. Across a sprawling site, a rich landscape of residential buildings are centred around parks, gardens and spectacular leisure zones. Pavilion-style architecture fans out to maximise outlooks over the water, nearby parks and the Sydney city skyline.

SCENIC SYDNEY LIVING

From here the views are breathtaking. Walls of glass, flowing indoor-outdoor balconies and roof terraces for some upper-level apartments make the most of stunning outlooks to the sparkling waters of Kogarah and Botany Bay, the city, surrounding parks and beautifully manicured golf greens that skirt your Ramsgate Park home.
